Hi there!

My name's Pablo and I go to a language school in London. I usually have 4 lessons each day, but on Fridays I am at school all day because I have 8 lessons. I wake up at 7.30 every day, wash and have English breakfast. My aunt Mary always makes me a cup of tea, fried eggs and toast with jam for breakfast. My classes start at 8.30 o'clock, so at 8.10 I leave home and go to school by bus. At 12.30 o'clock I have lunch. I eat some soup or fish and chips and I drink some orange or apple juice. At 4.30 in the afternoon my uncle picks me up and we go back home in his car. I don't do my homework after school. I rest for an hour or play with my cat – Dixi at 6 p.m.

I also go swimming as often as possible because I like it and I'm very good at it. However, sometimes it is difficult to find time for it as my day is really full. I hope to become a professional swimmer one day. At about 8.30 I go home and I have dinner and then I do my homework. I read books and study a lot. I don't have time to play computer games or to watch TV in the evening, and anyway, I think these activities are a waste of time. I go to bed between 10.30 p.m. and 11 p.m., and I feel tired but happy.
